AGREEMENT BETWEEN

GEOSPECTRUM MARKETING SERVICES

AND ROMEL FRANCISCO

The contractor, Romel Francisco, of Unit 120 Jaro Bldg., Bonifacio Heights Condominiums, Lawton Avenue, Fort Bonifacio, Taguig City, 1634, Philippines, (hereinafter Developer) agrees to provide services to implement the design and develop a website for the use of Geospectrum Marketing Services (hereinafter Client), of Unit 1604 One Magnificent Mile Condominium, 39 San Miguel Ave., Ortigas Center, Pasig City, 1605, Philippines.

Scope of Work. The Client owns and operates a website located at the URL geospectrum.com.ph. Pursuant to the terms and conditions of this Contract, the Client will provide the Developer with a collection of tools and services to manage and operate a version of the main site that is branded with the Client's name. The Developer shall provide only front-end programming and ensure the site is live by Proposal Date.

Developer's Responsibilities. The Developer agrees to render the following responsibilities:
1. Develop the website inclusive of all details that are included in this Contract;
2. Test and make sure the website is functioning properly;
3. Provide the source codes to the Client for deployment to the web host or server; and
4. Return all code, databases, software, models, documentation, and documents pertaining to this Contract to the Client within 10 days after the warranty period or termination of the Project.

Client's Responsibilities. The Client agrees to render the following responsibilities:
1. Back up the existing website residing in the web host or server;
2. Provide all the necessary information, resources, source codes, and initial payment that might be necessary for the Developer to initiate work;
3. Deploy the website to the web server; and
4. Address the queries of the Developer without delay.
